

Dear Parents and Guardians:

Your daughter has been invited to apply for the 2018-2019 Fashionetta® Honors Debutante Program sponsored by Theta Chi Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated and 15 Pearls and A Promise Incorporated. Alpha Kappa Alpha Sorority, Inc. is the oldest Greek-lettered organization founded by and for African-American women. Our emphasis is on empowering and encouraging young women to achieve their dreams. The 2018-2019 Fashionetta® Honors Debutante program honors young women who have achieved excellence in academics, leadership, and community service. It also honors those who have perhaps overcome challenges and exhibited perseverance on their way to success.

Program participants will be provided with mentoring, experiences, and skills that will support their successful transition from high school to college and career. Those who successfully complete the eleven month program will be presented to the community and honored at the 2018 Debutante Gala.

To assist you and your daughter in your decision to participate, additional materials have been posted on the Theta Chi Omega Chapter website ([www.akagranderapids.org](http://www.akagranderapids.org)). Click on Fashionetta® 2018 on the Navigation Panel and you will see the Fashionetta® Honors Debutante Program. Additional applications may also be obtained from the Theta Chi Omega Chapter website.
